PSLT WEEKLY ROUND-UP

What an incredibly busy and exciting week it has been with our daily Sports Day events! The children have been fantastic, and it has been wonderful to welcome so many parents on-site to cheer them on and celebrate their efforts. A massive thank you to Sonia Teodoro and the entire PE Department for organising such an outstanding week. Sport, fitness and living a healthy lifestyle are invaluable lessons for our children, and the dedication of our PE team ensures they develop these important habits every day. A huge congratulations to **Ignis House** for being the overall winners this year—well done!

Looking ahead, Ramadan is expected to begin around 1st March, and our school timings for FS1 – Year 6 during this period will be as follows:

PE/SQUADS UPDATES

Sports Day Week Recap!

Mrs. Teodoro
Director of Sports

This past week, South View School came alive with house spirit as students dressed in their house colors to celebrate Sports Day. From FS1 through Secondary, students competed across a range of events to earn points for their houses.

The week featured an exciting lineup of activities, including sprints, relay races, tug-of-war, obstacle courses, throwing and jumping stations, as well as a KS2 basketball tournament and dodgeball matches. It was a fantastic opportunity for students to showcase their athletic skills and teamwork. We were also proud to recognize the top three performers in each athletics event, and we are thrilled to announce that more than 10 school records were broken! This is a testament to our students' dedication and progress in PE lessons.

A heartfelt thank you to all the parents who visited SVS to support our athletes and to our PE department for their creativity and effort in organizing such an incredible week of sports.

Looking ahead, our next house competition will be the **KS2 Swimming Gala**, followed by **SVS Swimming Pool Open Doors** in Term 3.

Wishing everyone a well-deserved and fantastic half-term break!

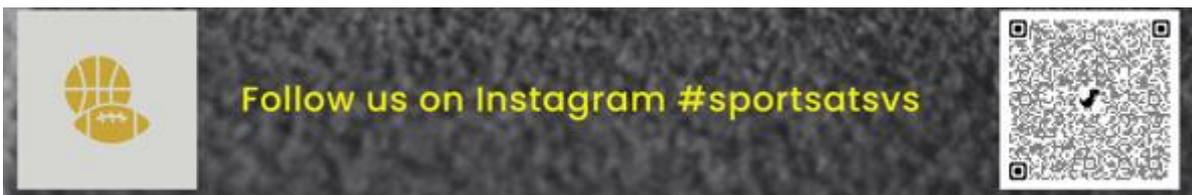

UPCOMING EVENTS

The U11 BSME Games are just around the corner, taking place from **February 21st to 23rd** at **RGS Dubai**. South View School will be proudly represented by **34 talented students** competing in **Netball, Basketball, Football, Swimming, and Athletics**.

We wish our athletes the best of luck as they take on schools from across the Middle East. You've already made us proud—now go out there and shine!

Let's go, SVS! 🇧🇪 🇨🇦 🏆

If for any reason your *child cannot attend the training* sessions or a fixture, kindly notify their **Squad Coach** as soon as possible.

SPECIALIST UPDATES

BSME Eco Ocean Summit

Ms. White
Sustainability Lead

Last Friday 7th February, three intrepid **Eco Warriors** and **Science Champions** presented their ideas to help ocean conservation. Troy 6D experimented with algae growth on plastic in a saltwater tank at home, Sevinch 5E made a Stop Motion movie illustrating the 400 years that a plastic bottle takes to biodegrade and Kia 5E made a 'Just Fix it!' electronic awareness board.

The team's solution was 'The Waste Wizard' that floats in the ocean and has a sensor that can distinguish between natural and man-made objects. The judges were impressed with how well the children spoke and demonstrated their ideas which earned them the amazing accolade of **Best School for Impact and Feasibility**. We are very proud of their innovative solutions to a real-life problem!

Troy, Kia and Sevinch display their fantastic ideas.

International Mother Language Day

Ms. Donovan
Head of EAL

On **Friday February 21st** we will celebrate **International Mother Language Day**, a special occasion that recognises the beauty of linguistic diversity and the importance of preserving and valuing all languages. At South View School we are proud of our multilingual community and the many languages our students bring to the classroom.

To mark this day, we have **two exciting activities** planned:

- **Storytelling Sessions** – where parents and teachers will read traditional stories in different languages.
- **Songs and Poems**- students are invited to perform a song or poem in their home language.

If you would like to **volunteer** to read in your child's class, please contact their class teacher via **Seesaw**.
