## Mr. Holliday's Updates

It has been wonderful to see almost all children back on site this week. To make morning drop-off routines as safe and as smooth as possible, I am reminding families of the morning drop-off routines:

1. School Gates open from 7.25am. Registration starts at 7.40am, with the first lesson starting at 8.00am. Children can be dropped to the school early, ready to enter the site at 7.25am.
2. Please avoid parking if possible, and use the Gate 5 drop off facility to drop your children quickly. There are assistants on hand to lead young children to their classes if required. Older siblings may also escort their younger sibling to classes.
3. Drive into parking spaces forwards. The traffic marshals will then provide assistance with reversing back out onto the road. This saves time and allows us to manage and speed up the traffic flow.
4. Can cars that arrive before 7.30am please prioritise the parking by Gate 5 - this will ease traffic flow for later road users.

*Please can we remind families to test if children are showing symptoms and report results promptly to the school without sending their child in. Families should keep students at home while waiting for PCR results.*

## On the Horizon...

We are very excited to announce the official date of our SVS World Book Day on **Thursday 3rd March**. All students from FS-Year 6, will dress up as their favourite book character! Be innovative and creative, can you make it yourself? Our week will be filled with lots of exciting, celebratory ways to promote reading for pleasure on World Book Day, and all-year round.

The children will have the privilege of working with the famous children's author, Julia Johnson who will be joining us for the day. Look out for our next announcement to find out more!

[Find out more about Julia Johnson at one of her events: Emirates Literature Festival flyer](#)

Congratulations to Hanin Taha from Year 6A, the winner of our Sustainability Logo Competition! She adapted the recycle symbol and added her own creativity and effects with a beautiful leaf design. Superb!

## Mrs. Patton's Updates

*This week in FS1, we have explored the concept of alliteration. We played I spy and matched objects beginning with the same sound. As part of our topic - 'Under the sea' we have been exploring different materials to make a waterproof pirate ship.*

**Reminder** - On Friday 11<sup>th</sup> February, FS1 will have a Pirate Day! The children are invited to dress up as a pirate and come to school to look for treasure.

*This week in FS2, we have been consolidating our learning in Maths. We identified 2D and 3D shapes in pictures and even tried to make our own dinosaur shape picture. As part of our topic - 'Long long ago' we have been learning new vocabulary. Some of the dinosaur names are really hard to say but we have tried our best and not given up.*

**Reminder** - On Friday 11<sup>th</sup> February, FS2 will have a Dinosaur Day! The children are invited to dress up to match the theme of the day.

## Health and Safety in EYFS

All FS classes have scheduled outdoor play sessions every day; therefore, your child must bring their hat to school. We operate a strict no hat no play policy in school; therefore, if your child does not have their hat, they will have to sit in the shade during outdoor play sessions.

Please check your child has a change of clothes in their school bag in case of any accidents.

Reminders:

Please ensure you call or email ([reception@southview.ae](mailto:reception@southview.ae)) and use the subject SICKNESS, telephone: +971 4426 4864) each day, before 8.00am if your child is going to be absent due to sickness.

Please remember to contact the clinic ([clinicgroup@southview.ae](mailto:clinicgroup@southview.ae)) and the Operations Manager ([hr@southview.ae](mailto:hr@southview.ae)) if your child tests positive for COVID19 or a close contact.

## Mr. Hassan's Highlight of the Week

This week, students have learnt so much in Arabic A such as the difference between singular and plural vocabularies, how to differentiate between nouns and verbs and also the types of verbs in Arabic and how are they different from English. In Arabic B we have so much fun using our new vocabulary, verbs and pronouns to create sentences, paragraphs and comic stories in Arabic.

Mr Ahmed Hassan  
Head of Arabic

Mr Abdelhamed Kerba  
Head of Islamic Studies

## Mr. Kerba's Highlight of the Week

This week, our Islamic students were enjoying learning Islamic Values and morals with fun activities. We are so glad to have them all engaged during the lessons. Next week, we will be revising and we will focus on characters of selected prophets.

Due to the occasion of Israa and Mirage which will be observed on March 01, 2022, (27th of Rajab 1443), we will be Assigning Israa and Mirage activities on seesaw for students to complete at home and celebrations will be held in our Islamic class in the first week of returning from mid term break.

Students can do any of the following (Projects or presentations or posters or summarisation about Israa and Mirage or they can make video recordings telling Israa and Mirage story).

Best activities will be shared on our school social media. Students' contributions can be shares on Islamic seesaw or handed over to receptions.

Our Wow activities.

## Miss Stanton's Highlight of the Week

*It has been wonderful to welcome the children back to face-to-face learning this week and they continue to impress us with their resilience and adaptability. We have continued our Bright Lights, Big City topic through the introduction of our new book, Humpy Grumpy's Mission Improbable, set right here in Dubai! The children have continued their exploration of materials and landmarks by looking at the Dubai skyline, and investigating the Burj Khalifa. In STEAM the children were set the challenge of using their material knowledge to design and make their own boats, testing if they could float and hold a weight. Finally in Maths the children have continued exploring number bonds to 20, investigating number patterns and fact families.*

## Miss Dye's Highlight of the Week

*This week, we have been learning about block diagrams. We have been noting similarities and differences between pictograms and block diagrams. We have collected data to find out what our friends favourite animals and colours are. We then used out investigating and questioning skills to interpret the data and find out what were the least and most popular choices.*

*In English, we were sent a letter by Mr Flint. He wanted us to tell him all about honeybees! We started the week by sharing some information live with Mr Flint on zoom and then created story maps to plan our response letter. We look forward to sharing our letter replies with Mr Flint, next week!*

## Miss O'Connor's Highlight of the Week

*This week, the students in Year 4 completed and up-levelled their newspaper reports which retold Sir Edmund Hillary and Tenzing Norgay's journey to the top of Everest. We included many key features including quotes, catchy headings and caption. Furthermore, they tried to include interesting and exciting vocabulary to engage the reader. In maths, we are continuing to focus on fractions and are using a growth mindset to take risks and delve into the learning pit. In year 4, we are not afraid to make mistakes because we know we can learn from them.*

## *Mrs Barlow's Highlight of the Week*

*In Year 5 this week, we have been working hard in all our lessons and have had fun getting back into the pool and out for our PE lessons.*

*In our English lessons, students have been writing a ghost story based around the poem we have worked on this half term, The Highwayman and have created our own scary story based on an image of an abandoned theme park ride. There have been some spooky scenes being set, with the use of figurative language learnt in term 1.*

*As we have come to the end of our Science topic, Forces, we have been conducting experiments to test out the effects of air and water resistance. We have also discovered friction and its effect on moving objects, such as an ice skater, a car or bowling ball. Our Maths lessons have continued to develop students understanding and ability to convert improper fractions and mixed numbers and we have started to look at sequencing fractions along a number line.*

## *Miss McCandless' Highlight of the Week*

*It has been a busy week of learning again in Year 6 this week! In English, we have been so impressed with the children's progress in using colons, semicolons and dashes, and have really enjoyed reading the wonderful setting descriptions that have been produced. The descriptive language used by the children to create atmosphere in their writing has been amazing! In Maths, we have been revising fractions, decimals and percentages, and now feel more confident in our ability to calculate percentages of amounts and find equivalent fractions, decimals and percentages. In Science this week, we have been developing our understanding of the three types of variables and how we would identify these within a scientific experiment. Some really great work again from our Year 6 students this week, we look forward to seeing what more is to come from them next week: our final week before half-term!*

# The Oryx Online PE and House Teams 04.02.22

Dear Parents and Students,

Finally we are back to PE, swimming and squad training sessions. It has been amazing to see the excitement in every lesson, with students motivated to play games and work at their best.

During Term 2, these are the topics that we will focus on:

KS1 – Net games and indoor and outdoor invasion games;

KS2 – Tennis, Volleyball and invasion games.

All classes will continue to have 1 swimming lesson every 2 weeks.

The PE department is also preparing for Sports Days, where students from FS to Y6 will have the opportunity to compete individually and in their houses in athletics events and team games.

**Squads:** Congratulations for all students selected to our teams. Training sessions have started and competitions approaching, please check daily the seesaw class of each team for updates.

Development swim squad: Monday 2.30pm-3.30pm

Boys primary swim squad: Monday 6.45am-7.30am & Wednesday 2.30pm-3.30pm

Girls primary swim squad: Tuesday & Thursday 2.30pm-3.30pm

U9 Tag Rugby: Monday 2.30pm-3.30pm
