# The Oryx Online PE and House Teams 25.11.21

Dear Parents and Students,

It was a very active and fun month at our school. From Wake up and Shake sessions, daily class challenges and the fantastic morning sessions for parents with Vernay and Mrs. Hazel. The 5th year of Dubai fitness challenge is finishing but is essential to continue with a healthy lifestyle and keep our body active.

On Thursday, our students had the opportunity to participate in a variety of sporting activities at South View. Starting the day with an all-school wake up and shake on the astro, lead by the PE department, and learning new gymnastics, basketball, rugby and karate skills with our school extra providers Dugym, Hoops Dreams, APRSA and Karate Kids. The students at South View showed us their enthusiasm for all sports.

We are pleased to announce that South View School will participate in The World School Games. This is an international multi-sport event designed to showcase the talent, diversity and sportsmanship of school students worldwide. The PE department will select the students that will compete in Athletics, Football and Swimming. All information will be shared with the parents of the selected students at a later date.
