SVS Speaks Out

#SouthViewShares

The countdown is on until SVS Speaks Out on the week beginning 20th June. We are extremely excited to hear the children's speeches in Years 3-6. By now, The children should have an idea on what they want to share and speak out about! [Click here](#) to view further details of this event.

Miss Kabbani's top tips:

- Choose an idea that is unique and powerful. You want to wow the judges.
- Ensure your speech is 2 minutes in total. Practice at home using a timer.
- Write your speech out and record yourself to help you remember your speech off-by-heart.

Wellbeing in EYFS

All FS classes have scheduled outdoor play sessions every day; therefore, your child must bring their hat to school. We operate a strict no hat no play policy in school; therefore, if your child does not have their hat, they will have to sit in the shade during outdoor play sessions.

Please check your child has a change of clothes in their school bag in case of any accidents.

Reminders:

Please ensure you call or email (reception@southview.ae) and use the subject SICKNESS, telephone: +971 4426 4864) each day, before 8.00am if your child is going to be absent due to sickness.

The Oryx Online Arabic and Islamic 27.05.22

Mr. Hassan's Highlight of the Week

This week in Arabic we had plenty of learning activities. In Arabic A, we continued working on our short story elements, comprehension strategies, Arabic language development and grammatical rules while in Arabic B we focused on some Arabic writing structures, linguistic development and reviewing some speaking skills. End of year Arabic assessments will be conducted during the WB 5th of June and continue for 2 weeks. Arabic teachers are going to send you all the materials required for home revision.

Mr Ahmed Hassan
Head of Arabic

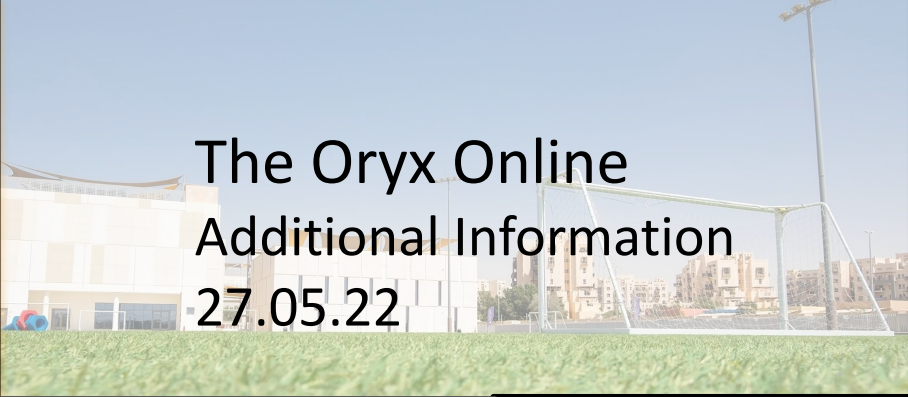

Mr Abdelhamed Kerba
Head of Islamic Studies

Mr. Kerba's Highlight of the Week

It was a great Quran competition held in south view school and it was great our hero Younge Muslim to recite Infront of Imam. Well done every one and congratulation to the winners.

To follow up Islamic Assessment will be on the week starts with 13 June. Revision material will be shared with the Islamic teachers, if you have any question please contact Islamic Teacher they are happily to help.

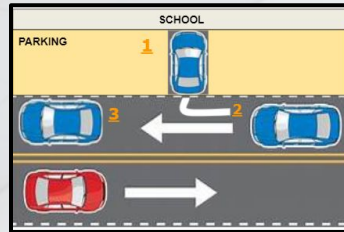

The Oryx Online Additional Information 27.05.22

Drop-off

Drop-offs are smoother when road users:

- Prioritise the parking by Gate 5
- Drive in and reverse out of spaces
- Use the **drop-off zone** inside Gate 5

If families reverse into entrance traffic only and then proceed to turn around after Gate 5, rather than reversing across two lanes of traffic, congestion will ease.

This parking by Gate 5 should be prioritised to ease traffic flow.

Students know their school. Families of students in Year 3 and above should use the **drop-off zone** and allow their children to walk in. This will ease demand on parking spaces.

PE: To develop the ability to control a ball in a range of ways.

Miss Walker's Highlight of the Week

We have had a very exciting week in FS2. On Monday, we discovered that over the weekend South View had a very exciting green visitor, who crashed onto our playground. The children were amazed to watch the alien's crash landing. We made lots of predictions about why the alien was here, with some very sensible suggestions that he wanted some new friends. The children then decided they needed to use this hook to create posters, some classes chose to make 'wanted' posters. While other classes decided they did not want the alien to come to their class and therefore made 'Stay away' posters. The children applied their phonetic knowledge fantastically... What great purposeful writing!

We are very much looking forward to celebrating the Queen's Jubilee next Friday, 3rd June. The children are invited to wear their best royalty outfits to school.

Miss Dye's Highlight of the Week

This week, Year 2 have enjoyed observing and recording scientific investigations. The children investigated if water and oil mixed together. Whilst creating a lava lamp the children noticed the water and oil would not mix due to the different densities. They they added their favourite colours and a fizzy tablet to watch the colours bubble in their lamps.

This week Year 2 also started their GL Assessments. Children have now completed their English and Reading GLs and we are very proud of how well they have worked this week. Assessments will continue next week and the week after and we look forward to all of the children continuing to show us how much they have learnt this year!

Mrs Barlow's Highlight of the Week

This week in year 5 we have completed our first GL assessment and all the students focused well to do their best.

At the start of the week the students completed a mini GL practice test and they focused well and took this opportunity to ensure they fully understood they style and type of questions they might face in their GL test. Students have also continued to work through the class text, Secrets of a Sun King. We have been introduced to more characters and the plot is starting to develop, with the suspense rising. In Maths we have continued to look at measurements, focusing on metric and imperial measurements along with time. Our Science lessons have continued to focus of revision of topics including classifications of animals, parts of a plant and life cycles of birds, amphibians, insects and mammals. It was wonderful to hear the cheers and chanting from the swim gala this week and a big congratulations to those who joined in to represent South View.

GL assessments will continue next week. Please ensure that all children have charged laptops and headphones.

Miss McCandless' Highlight of the Week

It has been a very busy week for Year 6 this week.

On Tuesday, we completed our very first set of GL examinations based on our learning in English this year. The Year 6 teachers have been so impressed with the enthusiasm and determination demonstrated by the children in the run-up to their examinations, and their desire to perform to the best of their ability and challenge themselves has been lovely to see. We are so proud of every single child in Year 6 and appreciate all of the hard work they are putting into their revision and preparation for these assessments.

In Science this week, we have covered a range of topics including electricity, the human body, forces and classification. The children have loved having the opportunity to look back over a range of scientific concepts, and this has provoked some excellent critical thinking and discussion in class. We have briefly touched upon our new topic, Evolution, and look forward to examining this in more depth next week.

House Teams News

APPLICATIONS FOR HOUSE CAPTAINS 2022/2023 NOW OPEN!!

As we approach the end of this year, and begin to plan for next year, we are opening applications for House Captains, Deputy House Captains and House Ambassadors for the next academic year.

These positions are open to any students who are now in Year 3, Year 4 and Year 5.

The role will involve lots of responsibility and innovation and you will oversee a number of new events and structures within Southview. House captains will monitor merits and house points weekly, allocate some house points to other students, work on notice boards termly and will play a big role in promoting events and competitions throughout the year amongst all year groups. You will also have an ECA and will be involved in regular assemblies.

If you think you are a suitable candidate, please submit your application on the Seesaw activity on your House page. You are asked to create a 30 second to 1 minute video of yourself, discussing your strengths and how you will be a successful captain to lead others in the school and lead your house to victory.
