**Music:** To explore pitch, high and low.

**PE:** - To perform a variety of collecting, moving and placing actions with different types of balls.

## Miss Ruse's Highlight of the Week

*This week, the children have loved exploring different materials linked to our text 'The 3 Little Pigs'. They have looked at which materials are strong and which are weak to help them choose which they would use to build their own houses. They have made these representations both in the construction and creative areas of provision which has been fantastic to see.*

*We have also enjoyed repeating the repetitive phrases that the wolf says when trying to blow the houses down!*

*We look forward to welcoming you back after Eid break where we will be focusing on 'The Gingerbread Man'. On the 20th May we will be having a **Fairytale themed dress up day** to celebrate the end of our topic.*

## Miss Stanton's Highlight of the Week

*'What big brains you have' said the Year 1 teachers! This week we have been learning the story of Little Red Riding Hood and it has been a wonderful story to support us in both English and Maths. We have explored the use of speech marks and question marks and began integrating these into our story writing. In Maths the big, bad wolf has been teaching us to tell the time. We made our own clocks and used them to tell the time to the hour and half past. In Science we discussed what plants Little Red Riding Hood may have found in the forest as we learnt the name of different flowering plants.*

*A reminder that a series of revision activities are available to your child on their Seesaw activity page. We invite you to work through these with your child at your own pace to reinforce the topics learnt across the year.*

## Miss Dye's Highlight of the Week

This week, Year 2 have enjoyed writing letters to Morris in English to help him become a healthier monster. They had to use persuasive language to encourage Morris to make healthier choices.

In Maths, we have enjoyed starting our new topic of 'Position, direction and Movement'. The children were excited to give each other instructions using positional vocabulary to move around the classroom with a friend.

Well done to Year 2D for sharing their wonderful assembly with us! It was lovely to see the hard work and learning over the course of the Year.

We hope you all have a wonderful break and for those celebrating a Happy Eid.

## ***Miss Ryan's Highlight of the Week***

*This week, year three have been very busy in writing completing their Big writes by creating their own instruction text about a 'revolting recipe'. In maths we completed bar graphs and began to learn about length, after EID we will continue length and begin perimeter.*

*The year 3 children have also been practicing hard for their upcoming show 'Cinderella Rockerfella' please see correspondence sent from Ms. Larkin about this which was sent on seesaw during the week.*

*I would like to say a massive well done to all children who took part in the Spelling Bee, there was very stiff competition and some tricky words along the way!*

*Reminder of the revision booklets sent on seesaw this week to be completed and submitted by May 9th. The revision books are on your child's home page, for example if your child is in 3B the maths revision pack will be on the Y3-B page.*

## ***Miss O'Connor's Highlight of the Week***

*We had another action packed week in Year 4. Firstly I would like to say a massive well done to all the children on their efforts in the Spell Bee. The standard was very high meaning there was stiff competition across the year group. Congratulations to those children who made it to the final stage of the competition.*

*Furthermore the children worked hard to complete their story which they have been working on for the past two weeks. They have been very enjoyable and engaging to read. A reminder that revision booklets have been shared on your child's home learning page. Pack two of the revision booklet will be shared after the Eid break. We are very much looking forward to our **Roman Day on Wednesday 11th May** please use the break to get your costumes ready, get creative and try to make them yourselves! ## *Mrs Barlow's Highlight of the Week*

*We have had another lovely week in Year 5 and I am sure all the students are ready for an enjoyable and well-deserved, long EID break.*

*The students have worked hard deciphering our new WAGOLL (What A Good One Looks Like) in English, looking in detail at the different key features of a piece of tension and suspense writing. We have started to break this text down and have retold the different sections in our own words, working to collaborate and share our ideas with our class.*

*Our Maths lessons have moved from measuring angles on a straight line and angles around a point, to measuring angles of a shape. We have also learnt about a variety of 2-D shapes, including different types of triangles and polygons.*

*We have continued our revision work during our Science lessons, focusing on food chains and life cycles this week, creating our own food webs together as a group.*

## Miss McCandless' Highlight of the Week

We have really enjoyed our week in Year 6! In English, us teachers have been blown away by the wonderful poetry written by the children. Their use of language devices has been amazing, and the progress they have made from the start of their poetry unit, to the end, has been so impressive! The teachers have really enjoyed reading their work and the children have loved having the opportunity to share their poems with their peers. In Maths this week, we have been learning about how to calculate angles on a straight line and angles around a point. We have also completed some revision on topics such as BIDMAS, prime numbers and square numbers, just to name a few!

We are so proud of our finalists who took part in the Spelling Bee on Thursday this week. They all put so much work into learning their spellings and performing on the day and should be so pleased with what they have achieved. A BIG 'well done' to all of our finalists!

## 29.04.22

Dear Parents and Students,

This has been a phenomenal start to Term 3 in PE at South View School, with gymnastics, basketball, swimming, and team building being some of the topics that students had the opportunity to experience across our school. The PE department is very impressed with everyone's dedication to the lessons, with a special mention to our fasting students that continue to participate eagerly and to the increase of attendance in swimming lessons.

### TERM 3B - PE TOPICS:

FS – Object manipulation (continue), Games & Swimming.

KS1 – Basketball, Dance, Games & Swimming

KS2 – Girls: Gymnastics, Hockey, Dance & Swimming.

Boys: Basketball, Gymnastics, Tag Rugby & Swimming.

### SQUADS

On behalf of the PE department, I would like to thank all students for their time and effort in taking part in this term trials. If at this point your child have not been selected for our squads, the PE department will of course keep monitoring students during PE lessons and if we feel that they've made significant progress, they will be invited to training sessions.

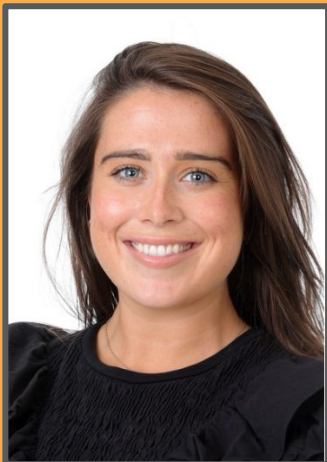

Parents of the selected students, will be informed on Seesaw. The PE teacher will share all the details about training sessions and coming games.

Mrs. Sonia Teodoro

Please view your Year Group page for swimming dates and PE days

## House Teams

Miss Judy Murphy

## House Teams News

You have all been working so hard during Term 1, Term 2 and the beginning of Term 3 to earn house points for your houses. This spirit has grown through each year group and each class wonderfully and is continuing to flourish each day. Term 3 is the most important term for houses, as the victor will be crowned at the end of the school year. Keep up the hard work and commitment and lead your house by example to victory.

There will be a competition running over Eid holidays. This is an opportunity for you to show your generosity and kindness to others. Those participating are asked to document one act of generosity or kindness which they performed. It can be a photo, video or piece of writing and should be uploaded to the Seesaw activity by Monday 9th of May.

All entries will receive 10 house points for their house.
