Secondary update

Dear Parents,

It has been another busy week for secondary students with feedback received from the final set of term 2 assessments and next steps in learning have been identified for all.

Today, we had our cast and crew for Annie jr. with Mrs Rock and Miss McMahon for full rehearsals as we all wait with anticipation for next week's shows. If you have yet to secure your ticket then please ask at reception on Monday.

On Tuesday, we had students competing in the 'Dubai Maths Super League' where the team improved by 8 positions on last year's performance so a huge well done to Mohammed Adnan, Sophie Francis, Zain Osman and Logan O'Brien, and thanks to Ms Griffin for taking the team. On the same day we had teams of Under 13 and Under 15 athletes out at the DASSA athletics league event. All teams performed brilliantly with three of the squads securing 2nd place in their specific competition.

Throughout the week, students from Year 9 presented to the primary school during their assembly time about International Women's Day. They received excellent feedback and all three enjoyed the experience. Well done to Diya Mulani, Zia Jooma Abbajee and Tessa Wessel-Tolvig, we can't wait to see what presentations they have planned next.

This coming week, the Year 10 Art students will have their very first 10-hour mock exam for Art on the 15th and 16th March. We wish them the absolute best of luck and are really looking forward to seeing the masterpieces that they create.

For images and more details on the above and for many more updates from around the school, please check out our social media feeds. I wish you all a restful weekend and look forward to seeing many of you around school.

Kind regards,

Jon Pennock

Spanish trip to a local restaurant

Last week Ms O'Sullivan took some Year 8 Spanish students to a local restaurant where they had the opportunity to order their lunch using their linguistic skills and I am assured that they all ate the meals that they had actually meant to order!
